

Dive in and learn about the beauty of friends and learning about how differences blend to make your friendship exciting and fun. With silly lyrics and a cheerful message, play **Fishy Mon** for a giggle and a lesson on friendship. The simple fishy puppets are easy to make and after a puppet show you can start to talk about how differences can make us unique and special!

### **Supplies**

Popsicle sticks

Confetti

Tape

Glue stick

Paint

Cardstock

Eyes

Gems and pom poms

### **Directions**

Place painted hand on cardstock

Cut out handprint

Tape handprint to popsicle stick

Add eyes, lips and decorative accessories

Create your own puppet show!

**As you work on this craft, listen to **Fishy Mon****

### **Conversation starters**

Is there anyone at school you would like to have a playdate with?

What makes friendship fun?

What do you love about your best friend?

How would you describe a true friend?
