Dear Friend:

We need your in-kind support to help put smiles on the faces of children everywhere!

Since their humble beginnings nearly forty years ago, KidLinks has impacted more than 410,000 children and caregivers, and remains more dedicated than ever in championing healing, hope, and happiness for children and families. Through performing arts and media, therapeutic music initiatives, and free to low-cost music therapy programs, KidLinks is providing valuable experiences and resources for families across North Texas and beyond and has served more than 99,000 children and caregivers in local DFW hospitals and care centers since inception. Funds raised directly support the growth of these direct services and the creation of content that can improve the daily experiences of hospitalized and special needs children when they need it most.

On **Monday, February 26, 2024** at Armstrong Fieldhouse at SMU, KidLinks will host the **14th Annual Symphony of Chefs**, an evening of culinary composition & meaningful musical moments. The culinary journey welcomes over 20 chefs including Nick & Sam's Steakhouse Executive Chef **John Kleifgen**, Chef de Cuisine **Aaron Collins** from Café Momentum, Executive Chef **Dan Landsberg** of Circle T Ranch, Bistro 31's Executive Chef **Henry Johnson**, Private Chef, Consultant & Restauranter **Justin Box** and Executive Chef & Owner of Beckley 1115, **Luke Rogers** plus many more. Funds raised from the evening directly support the growth of the numerous direct services provided by KidLinks and the creation of content that improves the daily experiences of hospitalized and special needs children when they need it most.

KidLinks is such a special organization because music has the profound ability to transform and heal, and Kidlinks is fully dedicated to the healing transformation music offers children. It's why we are honored to serve as event chairs for this incredible event. Our personal experiences have impressed upon us the power that music can have on others well beyond entertainment. A symphony, musically, is a beautiful integration of many parts and instruments to create a moving piece of art. The Symphony of Chefs event integrates talent and art in a beautiful way that supports the KidLinks mission and profoundly impacts thousands of children and families.

Please consider supporting KidLinks by donating an experience package or item to the auction. Your in-kind support will ensure that KidLinks is able to put smiles on the faces of children everywhere. Please find the 2024 Auction & In-Kind Donation Form. Any level of support, no matter how small or how large is appreciated. We are grateful for your generosity and appreciate your commitment **on or before February 9, 2024.**
