2021 Tournament Fact Sheet

Celebrating 21 years as the premier
energy industry charity golf tournament

The annual **KidLinks Energy Golf Classic** provides companies with a way to make a difference in little lives everywhere as well as a direct avenue for generating positive community awareness about the independent energy industry. The Energy Golf Classic is also one of the most effective energy-specific networking opportunities of the year.

BENEFICIARY:

KidLinks is a 501(c)(3) nonprofit organization that provides healing, hope and happiness for children and families through therapeutic music entertainment and music therapy programs. For more than three decades, impacting more than 392,000 children and caregivers, KidLinks has provided healing experiences for the special needs of children through performing arts and media, funded therapeutic music initiatives, university-level music therapy training and free/low cost treatment programs for children in need. Funds raised directly support the growth of these direct services and the creation of content that can improve the daily experiences of hospitalized and special needs children when they need it most.

For more information on KidLinks, including services or news and events, please visit our website KidLinks.org or follow us on Instagram @Kid_Links.
