

# Save the Date

MONDAY, FEBRUARY 22, 2021

**Symphony of Chefs by Design**, an evening of culinary composition benefitting KidLinks, is the ultimate chef-driven culinary dinner experience created with you in mind! During these unprecedented times, the safety of you, our donors, your guests and the participating chefs is of utmost importance.

Whether you prefer to dine in the private dining room of a restaurant, host a chef-prepared experience at your home or enjoy an interactive virtual chef cooking class and dinner, you design the experience that you want to have! **Symphony of Chefs by Design** includes all of the unique elements guests have come to enjoy annually and provides three thoughtful celebration options for the 2021 experience. Guests will enjoy a chef prepared & interactive four-course dinner, wine pairings from some of the world's best vineyards, a silent and live auction of experiences and much more!

### What's different? You get to design the experience!

As a sponsor, your **Symphony of Chefs by Design** experience includes:

- Opportunity to select the location of your experience: dining at a local restaurant, at-home private chef dining experience or virtual chef-led cooking class & dinner. All participating chefs will pre-select their availability for some or all available options.
- You decide your dinner experience size! A maximum of 10 or as few as 2.
- Access to china rentals and catering staff, if desired or needed for your at-home private chef dining experience.

Sponsors must reserve and determine their *by design* experience on or before **Friday, January 22, 2021**.

Join us for two one-hour virtual Meet the Chefs Wine Tastings on **Tuesday, January 26, 2021** and **Tuesday, February 2, 2021**.

Chef selection will take place on **Tuesday, February 9, 2021** during the Virtual VIP Patron & Chef Selection Party. A member of the event team will coordinate with the sponsor on all details of their **Symphony of Chefs by Design** experience once the chef has been selected.
